THE CHALLENGE OF POST-MODERNISM:

- Relativism
- Pluralism

MORAL RELATIVISM

- Gender Fluidity
- Homosexuality
- Same-Sex Marriage
- Pre-Marital Sex
- Adultery

A CHRISTIAN REBUTTAL OF MORAL RELATIVISM

1. **There is a difference between opinion and truth**
2. **Society contradicts itself by insisting on universal conformity to some moral standards.**
3. **The slippery slope argument: If we allow some things, where does it stop?**
4. **God has provided us with clear, absolute moral standards**

A GENERAL CHRISTIAN RESPONSE

1. **Remain grounded in God's Word**

2. **Don't be surprised! The Bible prophesies that society will deteriorate in the last days.**

3. **Defend God's standards when appropriate, without making that our crusade, and without judgmentalism**

4. **Major on the Gospel, not moral issues**

5. **Don't be intimidated or embarrassed about your faith**

6. **PRAY FOR REVIVAL**
