Matthew 15:29-39

1. What impresses you most about Jesus compassion?
2. Read Isaiah Chapters 25, 35 and 55. After reading each chapter discuss what stands out for you about Isaiah's vision of the Kingdom of God?
3. Discuss the ways in which Isaiah's vision is fulfilled in Jesus?

At the end of the sermon there are 4 questions meant to challenge you.

4. Jesus ventured into Gentile territory. Where do you need to break through social barriers and mix with 'unclean Gentiles'?
5. Where do you need to grow in compassion for the crowds?
6. Where do you need to get a bigger vision of the Kingdom, a vision such as Isaiah presented?
7. Where do you need to identify with the crowd in their helplessness, with their frail bodies and hungry souls and their need and yours, to sit at the feet of Jesus and let him heal you and feed you?

Take some time to pray...
