Matthew 17:14-21 – *The Signs of the Kingdom* – Even Demons Obey

1. Share a 'mountain-top' experience you've had which was then followed by a real downer.
2. Read Mark 9:2-13 for a fuller version of this story. What further insights does this give you?
3. Read Matthew 10:1. What do you think the disciples had forgotten?
4. What shocks you about what Jesus said to them all?
5. How have you seen your 'mustard seed' faith grow over the last 10 years?
6. What mountains are out there that need moving – in your life and in the wider world? The sermon mentioned one – how can we respond to that issue to see things change?
7. Please pray as a group for the people of Noosa and beyond to come to know Jesus? Pray for your role in bringing that about.
