## **Philippians 1:12-30 – GOSPEL CALL – to Proclamation**

1. Reflect on different circumstances you've been in throughout your life. How have you seen what happened to you be the cause for the gospel to advance?
2. If we keep quiet about our Christian faith, do we actually have one?
3. vv. 12-14 The gospel can be hindered or furthered by our response to difficult circumstances. How does this challenge you right now?
4. vv.15-18 What situations do you see around the world where the gospel is preached from impure motives?
5. Why do people in general not like to talk or think about death – their own or others? What is your attitude to death, and how does it impact the way you live?
6. How do you see Noosa Anglican standing firm and striving together as one for the faith of the gospel? What could we be doing better?
7. Pray for opportunities this week to tell someone about our wonderful forgiving, gracious Saviour.
