## 4-WEEK COURSE STARTING FEBRUARY

The Bible is a truly wonderful book. It leads us to faith in Jesus Christ, nourishes us to grow in faith, and guides, moulds, and corrects that faith throughout our lives. Millions of Christians through the ages and across the world have treasured it as their most valued possession.

*When was it written? To whom is it addressed? What is its message(s)? Is it relevant to us today?* The writer to the Hebrews says that it is sharper than a two-edged sword.

The Anglican Church of Noosa is planning a 4-week series for those interested in exploring the origin of the Bible, its authority, its message, and its relevance to Christians today. Whether you are a new or mature Christian you will find great value in awakening or revisiting an understanding of the Bible's scope. Sessions will include:

An Introduction  
to the Bible

The Kingdom  
of God

Old Testament:  
An Outline

New Testament:  
An Outline

The series will take place on the first four Wednesday evenings of February, from 7.00 to 8.30pm at Tewantin. It will be led by Harvey Williams and David Vos.
