

**Anglican  
Church of Noosa**  
Loving and serving you because of Jesus

## **Associate minister - oversight of Peregrin congregation.**

Noosa is arguably one of the most beautiful places in Queensland: lovely beaches, new housing estates, excellent schools and within easy driving distance to a widely acclaimed university.

Of more significance than any of that, are the opportunities to share the life-saving news of Jesus with so many people who now call this place home and to see those who already know him, grow and flourish as followers of Jesus.

Our new associate will lead our newest congregation: it's three years old and meets at our local Anglican college with the full support and active involvement of the principal. With a great new chaplain at the college, the work is poised for growth.

I need a colleague in ministry who has an obvious love for Jesus and a passion and gift for expository preaching which impacts people's everyday lives. I need someone with whom I can pray, share, dream and plan to see people become and grow as disciples of Jesus.
