

Love from Cape Town

September 2018

Praise

- Give thanks for an excellent visit from Old Testament professor Dr John Walton from Wheaton College in the USA. He gave a number of interesting seminars for the students and the wider public.
- Give thanks the women's retreat went well. Activities like these are so important for creating opportunities for the students to build strong relationships.
- Give thanks for the Lesotho mission trip. The students were able to encourage and teach people at children's groups, churches and Bible studies. It was a hard time for many due to sickness, riding horses and hiking for hours as well as the bitter cold - it snowed!

Prayer

- Pray for Nathan as he takes on the role of Director of Post Graduate Studies. (He is also Head of Department for Biblical Studies!) This means more administration organising the PG department as well as working towards improving the current postgraduate courses offered.
- Pray for Diane as she continues to meet with and encourage the women at college. Pray for wisdom as she plans for 2019.
- Pray for 3rd year student Lloyd Kaumphawi. His entire house burnt down in Malawi leaving his wife and children homeless. Pray for him as he attempts to find a home for them and, God willing, return to GWC to finish his final term.
- Pray for the GWC faculty. Pray for their own class preparations and also that everyone will continue to work well as a team seeking to encourage and build each other up.

Children wearing sheep masks learning that Jesus is their shepherd.

With love,
Nathan, Diane, Shiri and Isaac Lovell
