Chris writes...

Welcome! We are so glad you've joined us. If you are new, we would love you to fill in a Connect Card so we can stay in touch and extend a full welcome.

Thank you for your perseverance through this pandemic. The Covid Safe Industry Plan we are following requires social distancing, booking in, extra cleaning and new food handling rules. Thank you for working with the new systems we have in place. A special thank you to the new people who have recently volunteered for our cleaning team and those who continue on that roster. Your willingness to serve is so much appreciated.

I trust your experience of walking with Christ will make a difference in daily living and give you the confidence to face these troubling times with faith, hope, and love.

In Christ, Chris
