

March 2020

Dear Anglican Women of Noosa (AWN)

We would like to update you on future AWN events for 2020. Despite the uncertain future we are going ahead making plans for a number of gatherings for the year ahead.

A Calendar of proposed events is currently being prepared but of course all these activities depend on restrictions for gatherings. Women across all three of congregations (Sunshine Beach, Tewantin and Peregian) are involved in the planning which is a great blessing.

Continue to pray for each other, for our church and our world.

We will keep you updated as circumstances evolve knowing that all these things are in God's hands.

Blessings

Mary, Lesley and Kaye

On behalf of the Leadership Team Anglican Women of Noosa
