## Matthew 18:1-14

1. What is your general attitude towards children?
2. Why do you think Jesus chooses a child to be the sign of true greatness in the Kingdom of heaven?
3. How do you respond to Jesus severe words addressed to those who “*cause his little ones to stumble*”?
4. Compare Matt 18:12-14 with Luke 15:1-7. What are the similarities? What are the differences? What makes Matthew distinctive?
5. Who are the people you haven't seen at Connect Group for a while? Who in your group would be best to contact them and see how they going? Is there someone else from our church who you haven't seen for a while who you could contact?  
[It would be good if everyone in the group could nominate someone they will contact and report back on how they went next meeting. Pray for these people.]
6. How does the sign of the little child help us to better understand the sign of Christ's death and resurrection?
7. Which sign of the Kingdom in Matthew 15:29 to 18:14 stands out in your mind and why does it make you want to belong to Kingdom?
