## **Philippians 2:1-11 – GOSPEL CALL – to Humility**

1. Apart from Jesus, where have you seen an incredible act of humility which has significantly impacted you?
2. Think how you can contribute to unity in the Church. How can you consider others better than yourself and prioritise the interest of others in practical ways?
3. In what ways could proud thinking show itself in our Church?
4. What exactly was Jesus' attitude, that Paul says we should imitate? Why do you think we find that so difficult?
5. Read vv. 5-8 again. Would you be happy to do the 'worst' jobs at Church? Are you happy to not get honour and respect from others?
6. Pray for the eyes and will to see opportunities this week where you could proactively put other people first and serve them. What are some things you know now that you could do?
