Philippians 3:1-11 – GOSPEL CALL – to Faith

1. What is your definition of faith? What have you put aside to have faith in Jesus?
2. How might the influence of the evildoers keep the Philippians from rejoicing in the Lord?
3. What are the things Paul relied on previously as a Jew?
What are the things in your life to be careful about, that you could easily rely on as necessary?
4. What gives you confidence that God accepts you?
5. What does it mean to be 'found' in Christ? How is this related to being righteous?
6. What particularly does Paul want to know about Jesus more intimately?
7. Have you identified any things in your life that you still regard as treasure, which you should treat as garbage?
